In the research shows that the rampant illegal fishing causes Indonesia to lose its fish resources around Rp 30 trillion per year. Fishing vessels caught for committing a criminal offense are processed under applicable law. The legal process took so long that many fishing vessels that were moored at the base were damaged while the finished ones and the ship's court had been auctioned off but in ...

On March 12, 2002, Andrea Yates was found guilty of murder for drowning her five children. Media reports of the Yates trial indicate that she was judged according to the idealization of mothers as self-sacrificial and nurturing. This article uses the theory of the sociology of the body to analyze Yates's crime in relation to mental illness, gender roles, and embodied motherhood. The authors ...

STANLEY FISH RECENTLY IDENTIFIED the intersection between crime and religion as a hot topic, a trend that he gauged by paying attention to a popular television show: "Law and Order...from its beginning...has had its plots follow the headlines. Only if the tension between commitment to the rule of law and commitment to one's ethnic or religious affiliation was, so to speak, in the news would a ...
